**PETITIONING THE COURT**

To extend the term of supervision for years, for a total term of years.  
 To modify the conditions of supervision as follows:

**"The defendant shall reside with his parents at 24641 Ridge Line Drive, Bedford Heights, Ohio 44146 throughout his term of supervised release unless given advance permission to reside elsewhere by his assigned US Probation Officer."**

**"The defendant shall participate in an outpatient mental health treatment program as directed by the US Probation Officer."**

## CAUSE

Although the offender was sentenced out of the Southern District of Ohio, since being released from U.S. Bureau of Prisons custody, he has been residing in Bedford Heights, Ohio. Consequently, the supervising probation officer has requested a transfer of supervision in this case.

At the request of the US Probation Officer in the Northern District of Ohio, the Court is herein petitioned to modify the offender's conditions as indicated above. Apparently, there are some concerns relative to the stability of the offender's residence. Therefore, the supervising probation officer is requesting a specific condition relative to the offender's future residence.

In addition, because of the offender's history of drug use, the supervising probation officer would like the ability to implement substance abuse treatment should the offender revert to the use of narcotics.

Please find attached an executed Waiver of Hearing acknowledging the offender's willingness to have his conditions of supervision modified as requested.

Respectfully submitted by,

Robert A. Taylor Sr.

Supervising U. S. Probation  
Officer
